MK Curriculum

- Designed by MOE curriculum specialists and educators with knowledge and experience in early childhood education and primary school curriculum
- Based on the beliefs and principles in the Nurturing Early Learners Framework, developed by MOE, to guide quality kindergarten teaching and learning of children in Singapore
- Believes that children are joyful, curious, active and competent learners who play, learn and grow with others in a diverse and multi-cultural community
- Emphasises holistic development through an integrated approach to teaching and learning
- Promotes learning through quality interactions and purposeful play

MK Curriculum

- 风筝 Consists of two flagship programmes:
 - **Hi-Light Programme** and
 - **Starlight Literacy** (English and Mother Tongue Languages) Programme
- 风筝 Has activities around four broad themes and relevant topics
- 风筝 Uses teaching and learning resources with a **distinctive Singapore flavour**
- 风筝 Includes **Weeks of Wonder (WoW) projects** to encourage self-motivated learning through exploration and discovery

MK Curriculum

HI-Light Programme

The HI-Light Programme is designed to support the holistic development of children by nurturing in them **values**, **social and emotional skills** and **learning dispositions**, as well as **knowledge and skills** across the following **five learning areas** through an integrated approach:

- ❖ Aesthetics and Creative Expression
- ❖ Discovery of the World
- ❖ Health, Safety and Motor Skills Development
- ❖ Language and Literacy
- ❖ Numeracy

Starlight Literacy Programme

- ❖ Nurtures early childhood bilingualism
- ❖ Offered in English and three Mother Tongue Languages (Chinese, Malay and Tamil)
- ❖ Focuses on developing a positive disposition to the languages, listening, speaking and early reading and writing skills
- ❖ Uses Big Books, songs and games set in the local context to make learning fun and engaging
- ❖ Provides opportunities for children to communicate in English and their Mother Tongue Language with confidence and be aware of local traditions and customs
- ❖ Encourages families to be involved in activities to enthuse children in language learning

MK Learning Environment

- ❖ Creative use of available space to encourage children to discover and explore their surroundings
- ❖ Safe and inviting indoor and outdoor spaces
- ❖ Promotes learning through a variety of play, hands-on and interactive learning activities that are facilitated by the teachers or initiated by the children
- ❖ Children spend at least 30 minutes outdoor daily

Indoor Spaces

Thoughtfully designed classrooms and rich resources to support teaching and learning through play

Conducive and stimulating classroom environment to promote holistic development

Role play materials provide a context for children to use language and new vocabulary and develop communication skills

Variety of manipulatives to support development of fine motor skills, spatial awareness and problem-solving skills

Outdoor Spaces

Carefully designed to provide a variety of play experiences

Water play features that encourage children to be little investigators

Playground equipment that develops children's movement skills and confidence

MOE Kindergarten Fee

The monthly fee for MK in 2024 is:

- ⚡ \$160 for Singapore Citizens
- ⚡ \$320 for Singapore Permanent Residents

Fees are also payable during the June and December holidays as fees are calculated on an annual basis and spread over 12 months, including school holidays.

There are no additional out-of-pocket costs for complementary programmes such as field trips.

Kindergarten Fee Assistance Scheme (KiFAS) Subsidy

- KiFAS subsidy applies only to MK school fees
- Eligible families with Singapore Citizen children may apply for KiFAS subsidy, which is provided by the Early Childhood Development Agency (ECDA), through MK.
- The family needs to meet either the Gross Monthly Household Income (HHI) or the Gross Monthly Per Capita Income (PCI) criterion.
- Your child must attend at least one day of the kindergarten for the month to qualify for the assistance, unless fully covered by a valid medical certificate (MC) that states the period of absence from the centre for the entire month (subject to ECDA's approval). Failure to do so will result in the full kindergarten fee being payable for the month.

Kindergarten Fee Assistance Scheme (KiFAS)

Gross Monthly Household Income	Gross Per Capita Income	KiFAS Subsidy
\$3,000 and below	\$750 and below	\$159
\$3,001 - \$4,500	\$751 - \$1,125	\$148

A Smooth Transition to MK

Kindergarten 1 (K1) Orientation

- >You and your child will be invited to an orientation session before the start of the K1 year, where you will meet with the kindergarten teachers and classmates. This will take place sometime in Oct / Nov 2025. More information will be shared at a later date.
- This session will help to familiarise your child with the new learning environment.

First Day of Term 1

- For the first day of school, you are welcome to accompany your child to the MK to help him or her through the routines in the kindergarten.
- Teachers at the MK will keep a look out for children who experience adjustment challenges and work together with the parents to support the child's transition to the new learning environment.

MK Partnerships

Our Partnerships

Close collaboration with primary school to facilitate transition to P1

- ❖ Opportunities for interaction between MK children and primary school students
- ❖ Planned activities in the K2 curriculum to support children's transition to P1
- ❖ Collaboration between MK and lower primary teachers to establish shared understanding about children's learning and development

Use of Facilities

**Close collaboration
with primary school**

Co-sharing of school facilities (e.g. field, garden, basketball court, library, canteen etc.) enhances children's learning experiences.

Our Partnerships

Strong partnerships with families and the community to enrich children's learning experiences

- 风筝 Effective communication
